Narrated to us [Muhammad bin Basysyar], he said : has told us ['Amr bin 'Ashim], he said : has told us ['Imran Abu Al 'Awwam Al Qaththan], he said : has told us [Ma'mar] from [Az Zuhri] from [Anas bin Malik], he said : When the Prophet peace be upon him died, the Arabs apostatized. Umar said : O Abu Bakr, how did you fight the Arabs? So [Abu Bakr] said : Rasulullah shallallahu 'alaihi wasallam said: "I was ordered to fight humans until they testify that there is no god worthy of worship except Allah and I am the Messenger of Allah, establish prayers, and pay Zakat." By Allah, if they had prevented me from taking one of the young goats which they had previously given to the Messenger of Allah (peace and blessings of Allaah be upon him), I would have fought them for it. Umar radiallahu 'anhu said : When I saw Abu Bakr's opinion expressed, I knew that he was right. Abu Abdur Rahman said : Imran bin Al Qaththan is not a person who is strong in hadith. This hadith is wrong, and the previous one is correct, namely the Az Zuhri hadith from 'Ubaidullah bin Abdillah bin 'Utbah from Abu Hurairah.

Then the person opposed him and entered Islam. Then he obstructed him on the path of Hijrah, then said : will you emigrate and leave the earth and your sky? - indeed the example of a person who emigrated like a horse driven by a driver's harness, then the person opposes him, so he emigrates. Then the devil sits waiting for him on the path of Jihad, then says, are you going to fight with your soul and wealth? Then you fight, and you are killed so that your wife will marry another person, and your wealth will be divided, then he will fight." Then the Messenger of Allah (peace and blessings of Allaah be upon him) said: "Whoever does that, it is up to Allaah the Almighty to admit him to Paradise, and whoever is killed, it is up to Allaah the Almighty to admit him to Paradise, and if he drowns, it is up to Allaah to admit him to Paradise, or if his vehicle falls on him, it is up to Allaah to admit him to Paradise."

Narrated to us [Muhammad bin Abdul A'la], he said; he informed us [Khalid], he said; he informed us [Ibnu Juraij], he said; he informed us [Yunus bin Yusuf] from [Sulaiman bin Yasar], he said; The people left Abu Hurairah, then a man from the people of Syria said to him, “O Sheikh, tell us a hadith that you heard from the Messenger of Allah, peace and blessings be upon him!” [Abu Hurairah] said, "Yes, I heard the Messenger of Allah, peace and blessings be upon him, say, 'The first people to be judged on the Day of Resurrection will be three people. The first will be a martyr. He will be brought forth and shown his reward, and he will recognize it. Allah will say to him, 'What did you do with it? He will answer, ‘I fought for Your sake until I was martyred.’ Allah will say, ‘You are a liar. You fought so that people would say, “So-and-so is brave,” and they did say that.’ Then he will be commanded to be taken away, dragged by his face, and thrown into Hell. And a man who studied knowledge, taught it, and read the Qur'an, then that person was brought forth, and his blessings were shown to him, so he knew them. Allah said to him, “What did you do with it?” The man replied, “I studied knowledge, taught it, and read the Qur'an for Your sake.” Allah says, “You are lying. You studied knowledge so that people would say, ‘He is learned,’ and you read the Qur'an so that people would say, ‘He is skilled in reading,’ and that is what they said.” Then that person is ordered to be taken away, dragged by his face, and thrown into Hell. And a man whom Allah had blessed with abundance, and Allah had given him all kinds of wealth, was then brought forth, and his blessings were shown to him, so he recognized them. Allah said to him, “What did you do with it?” The man replied, “There is no

path that You love that I have not taken.” Abu Abdur Rahman said: “Meaning, I did not know of anything You loved that I desired to spend on except that I spent on it for Your sake.” Allah said: “You are lying, but so that it may be said that he is generous, so that may be said.” Then that person was ordered to be taken away, dragged by his face, and thrown into Hell.

Narrated to us ['Amr bin Sawwad], he said : Narrated to us [Ibn Wahb], he said : has reported to me [Yahya bin Ayyub] and he mentioned others previously from ['Umarah bin Ghaziyyah] from [Abu Az Zubair] from [Jabir bin Abdullah] he said : when the battle of Uhud and the people had withdrawn, Rasulullah shallallahu 'alaihi wasallam was among the twelve Ansar, and among them was Tholhah bin Ubaidillah. Then the polytheists found them, then Rasulullah peace be upon him turned and said: "Who will stop them?" Tholhah answered; me, then Rasulullah peace be upon him said: "Stay where you are," then a man from among the Ansar said : I, O Messenger of Allah, he said: "You," then he fought until he was killed, then he turned around, and there were polytheists, he said: "Who will stop them?" then Tholhah said : me, he said: "Stay where you are." Then a man from among the Anshor said : me, he said: "You," then he fought until he was killed. He kept saying that and the enemy continued to be attacked by men from among the Ansar then they fought like the previous people, until they were killed and the Messenger of Allah (peace and blessings of Allaah be upon him) and Tholhah bin Ubaidillah were left, he said: "Who will face them?" Tholhah answered; me, then he fought like eleven people fighting until his hands were injured and his fingers were cut, then he uttered a low voice, then the Messenger of Allah peace be upon him said: "If you say bismillah, then the angels will lift you up", and the people saw it and then Allah defeated the polytheists.

Narrated to us ['Amr bin Sawwad], he said : Narrated to us [Ibn Wahb], he said : had reported to me [Yunus] from [Ibn Shihab], he said : has reported to me [Abdur Rahman] and [Abdullah] son of Ka'b bin Malik, that [Salamah bin Al Akwa'] said : During the Khaibar war, my brother fought fiercely with Rasulullah peace be upon him, then his sword turned on him and killed him. Then the companions of Rasulullah peace be upon him discussed this matter, and complained about it; Hiih.....there was a man who died because of his gun. Salamah said : then Rasulullah peace be upon him left Khaibar, then I said : O Messenger of Allah, will you allow me to recite poetry with you? Then Rasulullah peace be upon him permitted it. Then Umar bin Al Khathab, may Allah be pleased with him, said : share what you have to say. So I sang a poem; By Allah, if there is no Allah, we will not receive guidance, we will not give shadaqah, and we will not pray. Then Rasulullah peace be upon him said: "You are right." So send down calm to us, steadfast our feet when we meet the enemy, and the polytheists have transgressed against us. When I finished my poem, Rasulullah shallallahu 'alaihi wasallam said: "Who said this?" I say; my brother. Rasulullah shallallahu 'alaihi wasallam said: "May Allah have mercy on him." Then I said : O Messenger of Allah, by Allah, people are reluctant to pray, and they say; he died from his own weapon. So the Prophet peace be upon him said: "He died seriously and as a mujahid." Ibn Shihab said : then I asked Ibn Salamah bin Al Akwa', then he told me what his father said, only he said : when I said that people were reluctant to pray, then Rasulullah peace be upon him said: "They lie, he died seriously and as a mujahid, so he will be rewarded twice." And he gestured with two fingers.

forward without retreating, would Allah forgive my sins? Rasulullah shallallahu 'alaihi wasallam answered: "Yes." Then after the person turned away, Rasulullah peace be upon him called him or he ordered to call the person, so that person was called. Then Rasulullah peace be upon him asked: "What did you say?" So the person repeated this, then Rasulullah peace be upon him said: "Yes, except debt. That is what Jibril 'alaihissalam told me."

Umm Haram bint Milhan was the wife of Ubadah bin Shamit. One day he met him, then he fed him, and sat down and cleaned the head of the Prophet peace be upon him. Then Rasulullah peace be upon him fell asleep and then woke up laughing. Umm Haran said : then I said : What caused you to laugh, O Rasulullah peace be upon him? He answered: "There are people from among my people who were shown to me as people who fight in the way of Allah, they sail through this sea, they are kings on beds or like kings on beds." As he first spoke. Then I said : O Messenger of Allah, pray to Allah to make me one of them. He said: "You are one of them." He said: "You are among the first." Then Umm Haran sailed the sea during Mu'awiyah's time, then he fell from his vehicle when he got out of the sea and died.

Narrated to us [Ishaq bin Ibrahim], he said : has told us [Abdulah bin Idris], he said : I heard [Hushain bin Abdur Rahman] tell from ['Amr bin Jawan] from [Al Ahnaf bin Qais], he said : we once went out to perform Hajj, then we came to Medina and we wanted to perform Hajj. When we were at our house and moored our vehicle, suddenly someone came to us and said : actually people had gathered in the mosque and they were shocked. So we went to the mosque, it turned out that people were gathered around several people in the middle of the mosque, and among them were [Ali], [Az Zubair] and [Thalhah], and [Sa'd bin Abi Waqqash]. While we were in this situation, suddenly [Uthman] radiallahu 'anhu came wearing a yellow bracket shirt, and covered his head with the shirt, saying; Is there a Talha here? Is there Az Zubair here? Is there Sa'd here? they said : yes. Uthman said : I truly ask you and swear by the name of Allah that there is no god worthy of worship except Him. Did you know that the Prophet peace be upon him once said: "Whoever buys a camel tether belonging to the Bani Fulan, Allah will forgive him." So I bought it for twenty thousand or twenty-five thousand, then I came to Rasulullah peace be upon him and told him about it. Then he said: "Be in our mosque, and the reward will be for you." They said : yes. Uthman said : I ask and swear in the name of Allah that there is no god worthy of worship except Him. Did you know that the Prophet peace be upon him once said: "Whoever buys a well for a house, Allah will forgive him." So I bought it for such and such a price, then I came to Rasulullah peace be upon him and said : I have bought it at such and such a price. Then he said: "Make it happen to give drink to the Muslims and the reward will be for you." They said : yes. Uthman said : I ask and swear in the name of Allah that there is no god worthy of worship except Him, do you know that the Messenger of Allah peace be upon him once looked into the faces of several people and said: "Whoever prepares them, Allah will forgive him." Namely the Al 'Usrah troops, so I prepared them so that they did not lose a single camel rope or rein. So they said : yes. Uthman said : O Allah, witness, O Allah, witness, O Allah, witness.

Aisha said : Then Rasulullah shallallahu 'alaihi wasallam started from me, then he said: "Indeed, I am reminding you of a matter and there is no reason for you to postpone it until you ask your parents for their opinion." Aisha said : Indeed, he already knew that my parents did not order me to separate from him. Then Rasulullah peace be upon him recited the verse: O Prophet, say to your wives: "If you all desire worldly life and its jewels, then let me give you mut'ah (ie: a gift given to a divorced woman according to her husband's ability). So I said : am I asking the opinion of my parents for this? Truly I want Allah and His Messenger and the village of the hereafter.

Narrated to us [Kathir bin 'Ubaid], he said : has told us [Muhammad bin Harb] from [Az Zubaidi] from [Az Zuhri] from ['Ubaidullah bin Abdullah bin 'Utbah] that Abdullah bin 'Amr bin Uthman completely divorced Sa'id bin Zaid's daughter during the reign of Marwan and he was a young man, and the woman's mother was the daughter of Qais, then his aunt, namely [Fathimah bint Qais] sent a messenger ordering him to move from Abdullah bin 'Amr's house. Marwan heard this, then sent a messenger to Sa'id's daughter and ordered her to return to her place of residence, and asked her what prompted her to move before she had performed 'iddah at her residence until the end of her 'iddah? Then he sent a messenger to him to inform him that his aunt had ordered him to do this. So Fatima biti Qais argued that she was previously under the auspices of 'Amr bin Hafsh, then when Rasulullah shallallahu 'alaihi wasallam appointed Ali to be emir in Yemen 'Amr bin Hafsh went out with Ali, and sent a messenger to divorce him which was his final divorce, and he ordered Al Harith bin Hisyam and 'Ayyash bin Abi Rabi'ah to provide for him. Then Fatima sent a messenger to Al Harith and 'Ayyash asking them about the matter that her husband had ordered for her. So they both said : By Allah, she has no support for us, unless she is pregnant. And they have no right to live in our residence except with our consent. Then Fatima came to Rasulullah peace be upon him and mentioned this to him, then he confirmed them both. Fatima said : Where do I move, O Messenger of Allah? He said: "Move to the house of Ibn Umm Maktum the blind person whom Allah 'azza wajalla has mentioned in His book." Fatima said : then I did 'iddah at his house, and he was a person who had lost sight of him, and I took off my clothes at his house until the Messenger of Allah peace be upon him married me to Usamah bin Zaid. Then Marwan denied this, and he said : I have not heard this hadith from anyone before you, and I will take the problem that we humans have found with it.

Narrated to us ['Imran bin Bakkar bin Rasyid], he said : has told us [Abu Al Yaman], he said : Narrated to us [Syu'aib] from [Az Zuhri], he said : It has been reported to me ['Urwah bin Az

Zubair] from [Aisyah] that Hudzaifah bin 'Utbah bin Rabi'ah bin Abdu Shams, who was among the people who witnessed the battle of Badr with the Prophet peace be upon him, raised Salim as a son, and married him to his brother's son, namely Hindun bint Al Walid bin 'Utbah bin Rabi'ah bin Abdu Shams and she was the sahaya of an Ansar woman who had freed, as the Prophet peace be upon him adopted Zaid as his son. And the person who adopted someone as a child during the period of ignorance, people called him his son, and he inherited part of his inheritance until Allah 'azza wajalla sent down a revelation regarding this matter: Call them (the adopted children) by (using) the names of their fathers; that is fairer in the sight of Allah, and if you do not know their fathers, then (call them as) your religious brothers and your maula-maula (free servants or someone who has been made an adopted son). So the people his father didn't know were his maula and religious brothers.

And Abu Hudzaifah bin 'Utbah married Salim to his brother's daughter, namely Hindun bint Al Walid bin 'Utbah bin Rabi'ah, and Hindun bint Al Walid bin 'Utbah was among the first women to emigrate,

and at that time she was the best Quraish widow. Then when Allah 'azza wajalla revealed the verse regarding Zaid bin Harithah: Call them (the adopted children) by (using) the names of their fathers; that is fairer in the sight of Allah. So everyone who was attributed to them was returned to their father, and if their father did not know, they were returned to their masters.

Then the Prophet peace be upon him looked at him, then raised his gaze to him, lowered it and then lowered his head. Then when the woman saw that he was not doing something to her, she sat down. Then there was a man from among the friends who stood up and said : O Messenger of Allah, if you need him then marry me to him. He said: "Do you have anything?" then the person said : no, by Allah I didn't get anything. Then he said: "Look at even one iron ring." Then the person left then came back and said : no, by Allah, O Messenger of Allah, not even an iron ring, but here is my sarong. Sahl said : If she has a shawl, then the woman will get half. Then Rasulullah shallallahu 'alaihi wasallam said: "What can you do with your sarong? If you wear it then he doesn't wear anything from it. And if he wears it then you don't wear anything from it." Then the man sat for a long time, then stood up and saw the Messenger of Allah (peace and blessings of Allaah be upon him) turning away. Then he ordered that he be summoned, and then the person was summoned. Then after he came he said: "What do you have from the Qur'an?" the person said : I have such and such a letter. And he mentioned it, then Rasulullah peace be upon him said: "Can you read it by heart?" the person said : yes. So he said: "I gave him to you with what you have from the Qur'an."

informed me [Yunus] from [Ibn Shihab], he said : [Urwah bin Zubair] informed me that he asked ['Aisyah] about the words of Allah the Mighty and Majestic: 'If you are afraid of not doing justice to orphans then marry what you like in women', he said 'O my sister's daughter in question is an orphan girl, who was in the pet of her guardian, he helped her with her wealth, then her guardian was amazed by her wealth and beauty and he wanted to marry her but was not accompanied by doing justice in her dowry as is the custom by giving her as stated in given by someone else. So they are prohibited from marrying these girls unless they do justice and give them the best possible dowry, so that they can get as high a dowry as the prevailing conditions. So they were ordered to marry good women other than the orphan girls, Urwah said : then 'Aisha said : Then the people asked the Messenger of Allah (peace and blessings of Allaah be upon him) for a fatwa after that regarding these women, and Allaah the Almighty revealed: And they ask you for a fatwa regarding women, say that Allaah gives you a fatwa until the word of Allaah: And you want to marry them. 'Aisha said : The meaning of Allaah's word "If you fear not being fair to orphans, then marry what you like from women." And Allaah's word "And you want to marry them" means, when there is displeasure among you towards orphans whom he cares for when his wealth and beauty are few, then they are forbidden to marry them because of the urge to control the property of the orphan girls. Unless they can uphold justice despite their displeasure towards them.

Narrated to us [Ali bin Hujr bin Iyas bin Muqatil bin Musyamrikh bin Khalid], he said : has told us [Isma'il bin Ibrahim] from [Ayyub] and [Ibn 'Aun] and [Salamah bin 'Alqamah] and [Hisyam bin Hassan] hadith some of them came to others, from [Muhammad bin Sirin], saying Salamah from Ibn Sirin; I have been told from [Abu Al 'Ajfa`], and someone else said from Muhammad bin Sirin from Abu Al 'Ajfa`, he said : [Umar bin Al Khathab] said : "Do not cost women's dowry, if this is glory in the world or piety in the sight of Allah 'azza wajalla, the person who is most entitled to it is the Prophet peace be upon him. The Messenger of Allah peace be upon him did not give a dowry to any wife and none of his daughters was given a dowry of more than twelve uqiyah. And indeed a person extorts his wife's dowry until he becomes an enemy within himself, and until he says 'I have burdened because of you to throw down the geriba."---- Abu Al 'Ajfa` said : I was a young Arab who had just been born so I didn't know the meaning of throwing a geriba----. Abu Al 'Ajfa` said : Another thing they often say about those who are killed in your wars, or those who die as martyrs, or are killed as martyrs, is that they say, "Perhaps he overloaded the back of his mount or even loaded his saddle with gold or silver that he wanted to trade." I remind you, do not say that,

but say as the Prophet (peace and blessings of Allaah be upon him) said: "Whoever is killed in the way of Allaah or dies will be in Paradise."

He said : I will say in my opinion that if she is right then it is from Allah, that is, she gets a dowry like other women's dowry, there is no deduction or injustice, she gets an inheritance and waits for the 'iddah period. Then [someone] from the Ashja' Tribe stood up and said : This is what Rasulullah shallallahu 'alaihi wasallam decided to us regarding a woman named Barwa' bint Wasyiq who married a young man. The young man died before he had sex with her, and Rasulullah peace be upon him decided that she should get a dowry like other women, she would get an inheritance and wait for the 'iddah period, then Abdullah raised his hands and said takbir. Abu Abdurrahman said : I don't know anyone who disputes this hadith, Al Aswad is not Zaidah.

Narrated to us [Ali bin Hujr], he said : has told us [Ali bin Mushir] from [Daud bin Abi Hindun] from [Ash Sya'bi] from ['Alqamah] from [Abdullah], several people have come to him, they said : A man among us married a woman and did not determine the dowry, did not collect it until the man died. Then Abdullah said : Since separating from the Prophet peace be upon him, I have never been asked anything more serious than this problem. Just like that, come besides me. They kept coming to Abdullah for a month but still couldn't find a solution. Finally they said : Who do we ask if we don't ask you, while you are among the friends of Muhammad peace be upon him in this country, and we don't get anything other than you. Abdullah said : I will say about it in my opinion, if it is true then only from Allah there is no partner for him and if it is false then it comes from me and from Satan, Allah and His Messenger are independent of him. I am of the opinion that she was given a dowry like other women, there was no deduction or injustice and she received an inheritance and waited for the 'iddah period of four months and ten days. 'Alqamah said : and this was heard by [the people] from Ashja', then they stood up and said : We testify that you gave a decision according to what the Prophet peace be upon him decided regarding a woman from us who is usually known as Barwa' bint Wasyiq. 'Alqamah said : Abdullah didn't look as happy as he was at that time except because of his Islam.

Then the Prophet peace be upon him drove his vehicle, and Abu Talhah drove his vehicle while I gave Abu Talhah a piggyback ride. Then the Prophet peace be upon him took the road in the alley of Khaibar, and my knees touched the thighs of the Prophet peace be upon him, and indeed I saw the white thighs of the Prophet peace be upon him. When he entered the village he said: "Allahu akbar, Khaibar is destroyed. In fact, if we stop in people's yards, the mornings experienced by the people who were warned will be very bad." He said this three

times, and the people went to their work. --Abdul Aziz said : then they said : Mohammed. Abdul Aziz said : and some of our friends said : Thursday arrived, we forcibly paralyzed Khaibar--. He gathered the prisoners, then Dihyah said : O Prophet of Allah, give me the female slaves among the captives! He said: "Go and take a slave girl." He took Shafiyyah bint Huyai. Then a man came to the Prophet peace be upon him and said : O Prophet of Allah, you have given Shafiyyah bint Huyai, the leader of Quraidzhah and An Nazhir, to Dihyah. He is not worthy except for you. So he said: "Call him and bring him." After seeing Shafiyyah he said: "Take slaves from prisoners other than him." Anas said : and the Prophet peace be upon him freed her and married her. Then Thabit said : O Abu Hamzah, what dowry did he give him? He said : herself, he freed her and married her. Ibn Abbas said : until after being on the road, Umm Sulaim prepared Shafiyyah, and presented it to him at night. And in the morning she became a bride. He said: "Whoever has something, bring it here." Ibn Abbas said : and he spread out a rug of leather, then a man came bringing cheese, another man brought dates, another man brought butter, then they made food from a mixture of dates, cheese and butter. He said : O Messenger of Allah, in fact I was once under the protection of Rifa'ah Al Qurazhi, then he divorced me completely. Then I married Abdur Rahman bin Az Zubair, and by Allah, O Messenger of Allah, he had no abilities except like the hem of this garment. And she took the edge of her headscarf, and Khalid bin Sa'id was at the door, and Rasulullah peace be upon him did not allow her to enter. Then he said: "O Abu Bakr, didn't you hear this woman say cruel things about what she said to the Messenger of Allah peace be upon him?" Then he said: "Do you want to return to Rifa'ah? No, until you feel her pleasure and she feels your pleasure."

He said: "I am reminding you of something, so it's okay if you don't hurry until you ask your parents for guidance." Aisha said : He already knew that my parents did not order me to separate from him. He said : then he read this verse: "O Prophet, say to your wives: "If you all desire the life of this world and its jewels, then come, let me give you mut'ah and I will divorce you in a good way." So I said, about this I asked my parents for guidance? Verily, I want Allah 'azza wajalla and His messenger, and the village of the Hereafter. Aisha said : then the wives of the Prophet peace be upon him did what I did. Divorce really didn't happen, when the Prophet peace be upon him gave them the freedom to choose and they were free to make their choice, because they chose him.

Narrated to us [Muhammad bin Adam], he said : has told us [Abu Mu'awiyah] from [Hisham] from [Abdur Rahman bin Al Qasim] from [his father] from [Aisyah], he said : In Barirah there were three things, his master wanted to sell him, and they put conditions on his guardianship. Then I reported this to the Prophet peace be upon him, and he said: "Buy him and set him free. Indeed guardianship belongs to the person who sets him free." And he was freed, then the Prophet peace be upon him gave him a choice and he chose himself. He was given alms and then he gave some of it to us. I then reported this to the Prophet peace be upon him and he said: "Eat, alms for him and gifts for us."

Narrated to us [Ishaq bin Ibrahim], he said : Narrated to us [Jarir] from [Hisyam bin 'Urwah] from [his father] from [Aisha], he said : Barirah entered into an agreement to release himself by paying nine uqiyah, one uqiyah every year. Then he came to Aisyah and asked her for help. He said : not, unless they want me to count one count for them, and the guardianship is for me. Then Barirah went and discussed the matter with his master. So they reject this unless the guardianship is for them. Then he came to Aisha, and the Messenger of Allah peace be upon him at that time came, then Barirah said what his master had said. So Aisha said : by Allah, if that's not the case. Unless guardianship is for me. Then Rasulullah peace be upon him said: "What is this?" then Aisyah said : O Messenger of Allah, Barirah came to me asking for help in completing her release agreement, then I said : not, unless they wish me to count for them one count and the guardianship is for me. Then he mentioned this to his masters, and they refused except guardianship for them. Then Rasulullah peace be upon him said: "Buy them and ask them for guardianship conditions. And guardianship is only for people who liberate themselves." Then he stood up and preached to the people, he praised Allah and then said: "What is the condition of the people, they give various conditions that are not in the Book of Allah 'azza wajalla. They say; release Fulan, and his guardianship for me." Allah's Book is more entitled and Allah's conditions are stronger, and any condition that is not in Allah's Book is false even if it is a hundred conditions. Then Rasulullah peace be upon him gave Barirah a choice.

And if she gives birth to a child with black eyelids, curly hair, both small calves, then he belongs to Syarik bin As Sahma`." Anas said, "Then I was told that the woman gave birth to a child with black eyelids, curly hair, and both small calves."

Narrated to us ['Imran bin Yazid] He said : has told us [Makhlad bin Husain Al Azdi] he said : has told us [Hisyam bin Hassan] from [Muhammad bin Sirin] from [Anas bin Malik] he said, "The first li'an incident in Islam was when Hilal bin Umayyah accused Syarik bin As Sahma` of adultery with his wife. Then he came to the Prophet peace be upon him and reported this. Then the Prophet peace be upon him said to him: "Bring four witnesses, if not then the punishment will be on your back." He repeated these words to him. Then Hilal said to him, "By Allah! O Messenger of Allah, indeed Allah 'azza wajalla knows that I am right, and Allah will surely send down to you something that will free my back from the whip." Then when they were in such a state suddenly the verse of the li'an came down: '(And those who accuse their wives (of adultery)....) ' (Qs. An Nuur: 6). Then he called Hilal, then he swore four times an oath in the name of Allah that he was among the righteous, and the fifth that Allah's curse would be happened to him if he was among those who lied. Then the woman

was called and swore an oath four times in the name of Allah that her husband was among those who lied. Then after the fourth or fifth time, the Messenger of Allah (peace and blessings of Allaah be upon him) said: "Then he continued to swear, then the Messenger of Allah (peace and blessings of Allaah be upon him). 'alaihi wasallam said: "Look at her, if she gives birth to a child who is white, has straight hair and damaged eyes, then he belongs to Hilal bin Umayyah. And if she gives birth to a child with brown skin, curly hair, both small calves, then he belongs to Syarik bin As Sahma`." Then the woman gave birth to a child who had brown skin, curly hair, and both small calves. Then the Messenger of Allah (peace and blessings of Allaah be upon him) said: "If no provision had passed regarding her from the Book of Allah, I would have had affairs with that woman." The Shaikh said, "Qadli` is when the hair on both eyes is long, and the eyes are not open, and do not glare. Waallahu A'lam."

Then he went with him to the Messenger of Allah (peace and blessings of Allaah be upon him) and told him about someone who found his wife above him said: "Yes Allah, give clarity." Then the woman gave birth to a child who was similar to the person her husband mentioned, that he had found by his wife's side. And Rasulullah shallallahu 'alaihi wasallam ordered the two of them to exchange curses (oaths). Then a man said to Ibn Abbas in an assembly, "Is this woman the one whom Rasulullah shallallahu 'alaihi wasallam said: 'If I could stone someone without proof, I would stone this woman'? Ibn Abbas replied, "No. That is a woman who shows the ugliness in Islam."

Narrated to us [Qutaibah] he said : has told us [Al Laits] from [Yahya] from [Sulaiman bin Yasar], that Abu Hurairah from Ibn Abbas and Abu Salamah bin Abdurrahman mentioned to each other the time of 'iddah for a woman to give birth after the death of her husband. Ibn Abbas argued, "He performed 'iddah until the end of the two periods of 'iddah." And Abu Salamah said, "She is halal after giving birth." Then Abu Hurairah said, "I was with my brother's children, then they sent a messenger to Umm Salamah, the wife of the Prophet peace be upon him. [Ummu Salamah] then said, "Subai'ah Al Aslamiyah had given birth to a heretic after her husband died, then she asked the Rasulullah peace be upon him for a fatwa, then he ordered her to marry."

Then I mentioned that Abdullah bin 'Utbah bin Mas'ud meant what Ibn 'Aun said 'until giving birth'. Ibn Abu Laila then said, "But his uncle did not say that." I then raising my voice, I said, 'Do I dare to lie about Abdullah bin 'Utbah who is in the Kufa area?' The narrator said, "Then I met [Malik], so I said, "What did [Ibnu Mas'ud] say about Subai'ah's case?" He answered, "Are you making it a burden on him and not making it easier for him? Indeed, the short letter An Nisa' has come down after the long one."

Narrated to us ['Amr bin Uthman bin Sa'id bin Kathir] Narrated to us [my father] from [Syu'aib] said : [Az Zuhri] said : ['Ubaidullah bin Abdullah bin 'Utbah] has informed me that Abdullah bin 'Amru bin Uthman divorced the daughter of Sa'id bin Zaid with a triple divorce, while her mother was Hamnah bint Qais. Then his aunt, [Fatimah bint Qais], ordered him to move out of the house of Abdullah bin 'Amru, and this reached Marwan. Then Marwan sent a messenger to the woman to return to her place until her 'iddah was over. Then the woman in turn sent someone to inform her, that her aunt, Fatimah, had given her a fatwa to move. And her aunt also informed her that the Messenger of Allah shallallahu 'alaihi wasallam had given him a fatwa to move when Abu 'Amru bin Hafs Al Makhzumi divorced her. Then Marwan sent Qabishah bin Dzuaib to Fatimah and asked her about it. Fatimah then admitted that she had been Abu 'Amr's wife. When the Messenger of Allah (peace and blessings of Allah be upon him) appointed Ali bin Abu Talib as the ruler of Yemen, he went out with her and sent a messenger to her to divorce her, and that was the remainder of the divorce. Then he ordered Al Harith bin Hisham and 'Ayyash bin Abu Rabi'ah to provide maintenance. Then Fatimah sent a messenger to Al Harith and 'Ayyash to ask for maintenance from them both, which her husband ordered him to give her. Then they both said, "By Allah, she has no maintenance from us except when she is pregnant. And she has no right to stay in our residence except with our permission." Then Fatimah admitted that she had come to the Messenger of Allah (peace and blessings of Allah be upon him) and told him about it, and he confirmed both of them." Fatimah said, "Then I said, 'Where should I move, O Messenger of Allah? Then he said: 'Move to Ibn Umm Maktum's house, he is the blind man whom Allah 'azza wajalla mentioned in His Book.' Then I moved to Ibn Ummi Maktum's house, and I put the clothes in his house.' Until the Prophet peace be upon him married her to Usamah bin Zaid."

GENERALLY, THE PERIOD FOR A WOMAN TO MOURN FOR THE DEATH OF A HUSBAND IS FOUR MONTHS AND TEN DAYS
Hadith Imam Nasa'i Number 3498

حَدَّثَنَا زَكَرِيَّا بْنُ يَحْيَى قَالَ حَدَّثَنَا إِسْحَقُ بْنُ إِبْرَاهِيمَ قَالَ حَدَّثَنَا عَلِيُّ بْنُ الْحُسَيْنِ بْنِ وَاقِدٍ قَالَ حَدَّثَنِي أَبِي قَالَ حَدَّثَنَا يَزِيدُ النَّحْوِيُّ عَنْ عِكْرِمَةَ عَنْ ابْنِ عَبَّاسٍفِي قَوْلِهِ{ مَا نَنْسَخْ مِنْ آيَةٍ أَوْ نُنْسِهَا نَأْتِ بِخَيْرٍ مِنْهَا أَوْ مِثْلِهَا }وَقَالَ{ وَإِذَا بَدَّلْنَا آيَةً مَكَانَ آيَةٍ وَاللَّهُ أَعْلَمُ بِمَا يُنَزِّلُ }الْآيَةَ وَقَالَ{ يَمْحُو اللَّهُ مَا يَشَاءُ وَيُثْبِتُ وَعِنْدَهُ أُمُّ الْكِتَابِ }فَأَوَّلُ مَا نُسِخَ مِنْ الْقُرْآنِ الْقِبْلَةُ وَقَالَ{ وَالْمُطَلَّقَاتُ يَتَرَبَّصْنَ بِأَنْفُسِهِنَّ ثَلَاثَةَ قُرُوءٍ وَلَا يَحِلُّ لَهُنَّ أَنْ يَكْتُمْنَ مَا خَلَقَ اللَّهُ فِي أَرْحَامِهِنَّ إِلَى قَوْلِهِ إِنْ أَرَادُوا إِصْلَاحًا }وَذَلِكَ بِأَنَّ الرَّجُلَ كَانَ إِذَا طَلَّقَ امْرَأَتَهُ فَهُوَ أَحَقُّ بِرَجْعَتِهَا وَإِنْ طَلَّقَهَا ثَلَاثًا فَنَسَخَ ذَلِكَ وَقَالَ{ الطَّلَاقُ مَرَّتَانِ فَإِمْسَاكٌ بِمَعْرُوفٍ أَوْ تَسْرِيحٌ بِإِحْسَانٍ }

Narrated to us [Zakaria bin Yahya] said : has told us [Ishaq bin Ibrahim] he said : has told us [Ali bin Al Husain bin Waqid] said : has told me [my father] he said : has told us [Yazid An Nahwi] from ['Ikrimah] from [Ibn Abbas] regarding the word of Allah: '(whichever verse we recite or make forgotten, then we bring something better than it or comparable to it)' (Qs. Al Baqarah: 106), and the word of Allah: '(And if we place a verse in place of another verse as a substitute, even though Allah knows best what He has revealed)' (Qs. An Nahl: 1o1), and the word of Allah: '(Allah abolishes what he wills and establishes (what he wills, and with Him is the Ummul-Kitab (Lauh mahfuzh))' (Qs. Ar Ra'd: 39). The first time of the Qur'an is about the Qibla, and the word: '(Women who are divorced should refrain (wait) three times quru'. No may they hide what Allah created in their wombs, if they believe in Allah and the Hereafter. And her husbands have the right to refer to her during the waiting period, if they (husbands) want ishlah)' (Qs. Al Baqarah: 228). This is because if a man divorces his wife, then he has the right to return to her even though he has divorced her three times, then Allah erases this and says: '(Divorce (which can be referred to) twice. After that, you may reconcile again in a good way or divorce in a good way)' (Qs. Al Baqarah: 229).

Rasulullah shallallahu 'alaihi wasallam then turned his face and said: "They are lying! This is the time, this is the time when the war has come, there will always be among my people those who fight upon the truth and Allah will make the hearts of the people incline towards them, Allah will provide them with sustenance from them until the Day of Resurrection comes, and until the promise of Allah comes. And on every horse's forelock is written goodness until the Day of Resurrection, it has been revealed to me that I will die without waiting while you will follow me separately, some of you cutting the necks of others, and the place of the believers will be Syria.

The one who makes a reward for someone is, the one who keeps it in the way of Allah and makes it for Allah and the horse does not eat anything in its stomach except that it has been determined for it with every thing it eats in its stomach as a reward, even if it is on the grass that it walks on.....and so on."

Narrated to us [Muhammad bin Salamah] and [Al Harith bin Miskin] by reading the history and I heard, the lafazhnya is the lafazh Al Harith bin Miskin, from [Ibnu Al Qasim] said : [Malik] related to me from [Zaid bin Aslam] from [Abu Salih As Samman] from [Abu Hurairah] that the Messenger of Allah (peace and blessings of Allah be upon him) said: "A war horse is a reward for a man, a veil for a man, and a sin for a man. As for what is a reward for a man, is that a man ties it for the cause of Allah and leaves it for a long time in a pasture or in a garden. Then whatever it eats while it is tied and in the garden is for it some good, and if the horse stops and walks over one or two high places, then its tracks - while in the hadith of Al Harith; it is mentioned 'and its droppings' - are good for it. If he passes by a

river and drinks from it, even if he does not want the horse to drink, then that is some good for him, then the horse is a reward for him. And a man who ties it so that he is sufficient and does not become begging, he does not forget the rights of Allah and in the horse's shoulders and back, then the horse is a veil for him. And a man who tying it up to be proud and showing off to Muslims, then the horse will be a sin for him." The Prophet peace be upon him was also asked about donkeys. He then said: "Nothing has come down to me regarding that matter except this perfect verse: '(Whoever does a good deed weighing a small amount, he will surely see (the reward))' (Qs. Al Zalzalah: 7-8).

They answered, 'Yes." Uthman then said, "Indeed, I ask you and swear by the name of Allah that there is no god worthy of worship except Him. Narrated to us [Ziyad bin Ayyub] said : has narrated to us [Sa'id bin 'Amir] from [Yahya bin Abu Al Hajjaj] from [Sa'id Al Jurairi] from [Tsumamah bin Hazn Al Qusyairi] he said, "I was in the house when [Uthman] showed his glory to his companions, he said, "I ask you and swear by Allah and Islam, do you know that the Messenger of Allah (peace and blessings of Allaah be upon him) came to Medina and did not He had fresh water besides the House well, then he said: "Whoever buys a House well and then puts his bucket in it together with the buckets of Muslims with good things from it, then he will be in Heaven." Then I bought it from my pure wealth, then I put in it my bucket from the buckets of the Muslims, and you forbade me to drink from it until I drank from sea water? They said, "Oh Allah, it's true." Uthman said, "I ask you and swear by the name of Allah and Islam, do you know that I have prepared an army of Al 'Usrah from my wealth? They said, "O Allah, it is true." Uthman said again, "I ask you and swear by the name of Allah and Islam, do you know that the mosque was crowded with occupants, then the Messenger of Allah peace be upon him said: "Who buys the land of Fulan's family and then adds it to the mosque and he will get goodness in

heaven?" Then I bought it from my pure wealth, then I added it to the mosque and you forbade me to pray two rak'ahs in it?" They answered, "O Allah, it is true." Uthman said again, "I ask you and swear by the name of Allah and Islam, do you know that the Messenger of Allah (peace and blessings of Allaah be upon him) was once on the hill of Mecca with Abu Bakr, Umar and me. Then the mountain moved so that the Prophet peace be upon him stepped on it and said: "Stay still, O hill! Indeed, above you there is a prophet, a shiddiq, and two martyrs." They said, "Oh Allah, it's true." Uthman then said, "Allahu akbar! They have testified by the Lord of the Kaaba, that I am a martyr."

Then He said: "Choose between wealth, or your women and children." They then said, "You gave us a choice between descendants and wealth, but we chose our wives and children." Then Rasulullah shallallahu 'alaihi wasallam said: "As for what was mine and that of Bani Abdul Muttalib, it is yours, if I pray midday prayer then stand up and say 'Indeed, we ask the Messenger of Allah for help over the believers. and Muslims for women and our children'." Then the Muhajirin people said, "As for what used to be ours, it belongs to Rasulullah peace be upon him." And the Ansar said, "And what used to be ours then it belongs to Rasulullah peace be upon him." Then Al Aqra` bin Habis said, "As for me and the Bani Tamim it is not like that." Then Rasulullah shallallahu 'alaihi wasallam said: "O people, return to them their women and children, so whoever holds this fai` property will get six camels, from the first time Allah the Mighty and Majestic gave this fai` property to him." Then he got on his vehicle and the people got on their vehicles, they said 'Give us the property fai`'. They then took him to a tree and his shawl fell, he said: "O people, give me back my shawl, by Allah, if you get a blessing as wide as Makkah, then I will share it with you, then you will not find me a fool or a coward or a liar." one-fifth will return to you." Then one The man stood up with a handful of hair and said, "O Messenger of Allah, I took this so that I could repair my camel's barda'ah." He said: "What once belonged to me and belonged to the children of Abdul Muttalib is for you." He said, 'Has this been said, I don't need it any more', then he threw it away. He said: "O people, give it back, even if it is a needle and a thread. Narrated to us [Qutaibah] said : has told us [Hammad] from [Ghailan bin Jarir] from [Abu Burdah] from [Abu Musa Al Asy'ari] said, "I came to the Messenger of Allah peace be upon him with some Asy'ari people asking that he could take us. Then he said: "By Allah, I cannot

take you and do not have anything that can take you." Then we stayed as long as Allah wanted. Then he was given camels and ordered that we be given three camels. Then when we left some of us said to others, 'Allah did not give us a blessing, we came to the Messenger of Allah peace be upon him asking for something that could take us, then he swore not to take us.' Abu Musa said, "Then we came to the Prophet peace be upon him and mentioned this to him. Then he said: "I did not bring you, but Allah brought you. By Allah, I do not swear by an oath and then see another better than it, except that I break my oath and do something better."

Narrated to us [Al Hasan bin Muhammad Az Za'farani] said : has told us [Hajjaj] from [Ibn Juraij] said : ['Atha] admitted that he heard ['Ubaid bin 'Umair] say; I heard [Aisyah] confess that the Prophet sallallaahu 'alahi wa sallam had stayed at Zainab bint Jahsy's house and then drank honey at her house. Then Hafshah and I agreed that whoever of us the Prophet sallallaahu 'alahi wa sallam meets should say, 'Indeed, I smell Maghafir (a type of plant), you have eaten Maghafir.' Then he met one of the two of them so one of them said these words

to him. Then he said: "No, but I drank honey at Zainab bint Jahsy's house, and I will not repeat it." Then came the verse: '(O Prophet, why have you made unlawful what Allah has made lawful for you) until His word (If you both repent to Allah...)' (Qs. AT Tahriim: 1-4), namely Aisyah and Hafshah, as well as the verse: '(And remember when the Prophet discussed in secret with one of his wives (Hafsah) an event...)' (Qs. At Tahriim: 3), namely because of his words: 'but I drink honey'."

Then Mujahid said to him; "Go to Rafi' bin Khadij, then hear from him the hadith. Then he said : "Indeed, by Allah, if I had known that the Messenger of Allah (peace and blessings of Allaah be upon him) had forbidden it, I would not have done it, but I have been told by someone more knowledgeable than him, namely [Ibn Abbas], that the Messenger of Allah (peace and blessings of Allaah be upon him) actually said: "It is better for one of you to give his land to his brother than for him to take a certain yield for renting it out." Indeed, there is a dispute regarding the 'Atho` in this hadith. Abdul Malik bin Maisarah said from 'Atho` from Rafi'. And we have mentioned the hadith. And it was said by Abdul Malik bin Abu Sulaiman from 'Atho` from Jabir.

أَخْبَرَنَا مُحَمَّدُ بْنُ عَبْدِ اللَّهِ بْنِ الْمُبَارَكِ عَنْ وَكِيعٍ قَالَ حَدَّثَنَا سُفْيَانُ عَنْ رَبِيعَةَ بْنِ أَبِي عَبْدِ الرَّحْمَنِ عَنْ حَنْظَلَةَ بْنِ قَيْسٍ قَالَ سَأَلْتُ رَافِعَ بْنَ خَدِيجٍ عَنْ كِرَاءِ الْأَرْضِ الْبَيْضَاءِ بِالذَّهَبِ وَالْفِضَّةِ فَقَالَ حَلَالٌ لَا بَأْسَ بِهِ ذَلِكَ فَرْضُ الْأَرْضِ رَوَاهُ يَحْيَى بْنُ سَعِيدٍ عَنْ حَنْظَلَةَ بْنِ قَيْسٍ وَرَفَعَهُ كَمَا رَوَاهُ مَالِكٌ عَنْ رَبِيعَةَ

Narrated to us [Muhammad bin Abdullah bin Al Mubarak] from [Waki'] has told us [Sufyan] from [Rabi'ah bin Abu Abdur Rahman] from [Hanzhalah bin Qais], he said : "I asked [Rafi' bin Khadij] about renting empty land in exchange for gold and silver. Narrated to us [Yahya bin Habib bin 'Arabi] in his hadith from [Hammad bin Zaid] from [Yahya bin Sa'id] from [Hanzhalah bin Qais] from [Rafi' bin Khadij], he said : "The Messenger of Allah peace be upon him forbade us from renting out our land, even though at that time there was no gold and silver. So someone rented out his land in exchange for what was above a small river as well as in exchange for grass and certain things. Salim bin Abdullah bin Umar narrated it from Rafi' bin Khadij and it was disputed with Az Zuhri regarding this matter. Narrated to us [Muhammad bin Yahya bin Abdullah] has told us [Abdullah bin Muhammad bin Asma`] from [Juwairiyah] from [Malik] from [Az Zuhri] that [Salim bin Abdullah]...he mentioned such a hadith while 'Uqail bin Khalid agreed with it."

Narrated to us [Abdul Malik bin Syu'aib bin Al Laits bin Sa'd] has told us [my father] from [my grandfather] has told me ['Uqail bin Khalid] from [Ibn Shihab] has told me [Salim bin Abdullah] that Abdullah bin Umar once rented out his land until it reached him (the news) that [Rafi' bin Khadij] prohibited him from renting land. Then Abdullah bin Umar met him and said : "O Ibn Khadij, what did you tell the Prophet peace be upon him about land rental?" Then Rafi' said to Abdullah; "I heard both [my uncles] and they were people who witnessed the battle of Badr, they told the Badr experts that the Messenger of Allah peace be upon him forbade renting land." Abdullah said : "Indeed, I know that at the time of the Prophet peace be upon him, land was rented out." Then Abdullah became concerned that the Prophet (peace and blessings of Allah be upon him) would decree something he did not know, so he abandoned the land lease. This hadith was transmitted by Shu'aib ibn Abu Hamzah.

Narrated to us [Al Husain bin Muhammad] has told us [Isma'il bin Ibrahim] has told us [Abdur Rahman bin Ishaq] from [Abu 'Ubaidah bin Muhammad] from [Al Walid bin Abu Al Walid] from ['Urwah bin Az Zubair], he said : has said [Zaid bin Thabit]; May Allah forgive Rafi' bin Khadij. By Allah, I know more hadith than him. In fact, previously we were two people fighting, then the Prophet peace be upon him said: "If this is your situation then do not rent out the rice fields." So he heard his words: "Do not rent out rice fields." Abu Abdur Rahman said : "The writing of the muzara'ah agreement is that the seeds and costs are borne by the land owner and for the person who plants a quarter of what Allah 'azza wajalla brings out of the land. This is an agreement written by Fulan bin Fulan bin Fulan in good health. And Fulan bin Fulan's agreement is: "Indeed, you have given me all your land in this place, in this city, with the muzara'ah system. The land is the land known as this, and is limited by four boundaries that surround it all. One of these boundaries is completely attached to this. And the second and third and fourth you have given all your land that is limited in this agreement with the boundaries that surround it and all its rights, its drinking water, its rivers, and its irrigation is an empty land that has no plants for a whole year, the beginning of which is the beginning of this month of this year, and the end of this month of this year, so that I plant all the land that is limited in this letter that has been mentioned in the letter in this limited year from the beginning to the end. All that I desire and will to plant in it, such as wheat and millet, sesame, rice, cotton, dates, baqil beans, himmash beans, cabbage, fennel beans, cucumbers, watermelons, carrots, shawl jam, radishes, onions, garlic, vegetables, basil and other crops of the earth in winter and summer with your seeds and grains, all of it is your responsibility, so that I can take care of it with my hands and those whom I wish from my servants and my hired men, my oxen, my tools until

planting it, prospering it, doing what can develop and provide benefits for it, cultivating the land, clearing the grass, watering what needs to be watered from the planted plants, fertilizing what needs to be fertilized, digging irrigation channels and rivers, reaping what is reaped from it, harvesting what is reaped from it, gathering it, threshing what is reaped and cutting it at your expense for all of that. And I will work it with my hands, and your helpers without you, and you will have all that Allah Almighty has brought out of all of it within the time mentioned in this letter from beginning to end. You will have three-quarters of it with your share of the land, your drinking water, your seeds, and your expenses. And I will have the remaining quarter of it with my planting, my work, and my implementation of it with my hands, and my helpers. And you hand over to me all of your limited land that is mentioned in this letter with all its rights and supervision. And I take all of it from you on this day of this month of this year. So all of it is in my hands for you, I have no ownership of it and no claim or demand except the muzara'ah mentioned in this letter in this year mentioned in the letter. Then when it is completed, all of it is returned to you and into your hands, and you have the right to remove me after the completion of that year from the muzara'ah and you remove it from my hands and the hands of everyone who has interference with me because of me. It was sworn by Fulan and Fulan. And the letter was written on two pages."

I received ten thousand dirhams clearly and properly at the beginning of this month in this year, and it became your qiradh which is in my possession with the conditions stated in this letter. Has stated so and so. If he wants to free him to buy and sell on credit, then he writes; and you have forbidden me to buy and sell on credit.

Narrated to us ['Ubaidullah bin Sa'd bin Ibrahim bin Sa'd] has told us [my uncle] has told us [my father] from [Salih] from [Ibn Shihab] has told me [Muhammad bin Abdur Rahman bin Al Harith bin Hisham] that [Aisyah] said : "The wives of the Prophet peace be upon him sent Fatima bint Rasulullah shallallahu 'alaihi wasallam to Rasulullah shallallahu 'alaihi

wasallam, then she asked permission from him while she was lying with me in my fur clothes. Then he gave her permission, then Fatimah said: "O Rasulullah, indeed your wives sent me to you, they asked for justice regarding Abu Quhafah's child. And I was silent, then Rasulullah peace be upon him said to him: "O my son, don't you love the person I love?" He says; "Yes.' He said: "So love this person." Then Fatima got up when she heard this from the Prophet peace be upon him. Then she returned to the wives of the Prophet peace be upon him and told them what he had said to her Tuan's wives demand justice regarding Abu Quhafah's child." Fatima said : "No. By Allah, I will not talk to him about it forever. 'Aisyah said : "Then the wives of the Prophet peace be upon him sent Zainab bint Jahsy to the Messenger of Allah peace be upon him and she was the one who became my rival among the wives of the Prophet peace be upon him in the position next to the Rasulullah peace be upon him, I did not see a woman who was the best in He has a better religion than Zainab and is more devoted to Allah 'azza wajalla, more honest in his words, more often connecting ties of kinship, greater in charity, and more humble in terms of the deeds he gives charity and uses to get closer to Allah apart from being quick to anger because of his tough character, but he is quick to withdraw from anger. He asked permission from Rasulullah shallallahu 'alaihi wasallam, while Rasulullah shallallahu 'alaihi wasallam was with Aisyah in her fur clothes as when Fatima met him. Then Rasulullah peace be upon him gave him permission, then he said : "O Rasulullah shallallahu 'alaihi wasallam, indeed your wives sent me, they asked for justice regarding Abu Quhafah's child." And he criticized me, he talked for a long time while I was paying attention to Rasulullah peace be upon him and looking at the corners of his eyes, whether he would allow me to (reply) to what he said. Zainab didn't leave until I found out that Rasulullah shallallahu 'alaihi wasallam didn't hate me if I responded to her. Then when I criticized her I didn't just keep quiet (hearing her reproach) until (then) I attacked her. Then Rasulullah peace be upon him said: "Indeed he is the son of Abu Bakr." [Imran bin Bakkar Al Himshi] has informed me, he said : has told us [Abu Al Yaman] has told us [Syu'aib] from [Az Zuhri] has told me [Muhammad bin Abdur Rahman bin Al Harith bin Hisyam] that [Aisyah] said :...(she mentioned as above). And he said : "The wives of the Prophet peace be upon him sent Zainab then she asked for permission and she allowed it then she came in and said that. Ma'mar disagreed with the two, she narrated it from Az Zuhri from 'Urwah from 'Aisyah."

Then Rasulullah shallallahu 'alaihi wasallam said: "Indeed, she is the daughter of Abu Bakr." رَسُولَ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ لَقَاتَلْتُهُمْ عَلَيْهِقَالَ عُمَرُ فَلَمَّا رَأَيْتُ رَأْيَ أَبِي بَكْرٍ قَدْ شُرِحَ عَلِمْتُ أَنَّهُ الْحَقُّ

Narrated to us [Muhammad bin Basysyar], he said : has told us ['Amr bin 'Ashim], he said : has told us [Imran Abu Al 'Awwam], he said : has told us [Ma'mar] from [Az Zuhri] from [Anas bin Malik], he said : When the Prophet peace be upon him died, the Arabs left Islam, then Umar said : O Abu Bakr, how did you fight the Arabs? So [Abu Bakr] said : Indeed, Rasulullah shallallahu 'alaihi wasallam said: "I was ordered to fight people until they testify that no God has the right to be worshiped except Allah and I am the Messenger of Allah, upholding prayer and paying zakat." By Allah, if they restrained me from taking even one kid goat from what they previously gave to the Prophet peace be upon him, I would definitely fight them for it. Umar said : When I saw that Abu Bakr's opinion had been given a chance, I saw that he was right.

And when we entered a place, we heard the words of people on the tiles. Then Uthman one day came in and came out, and said : in fact they threatened me to be killed. We say; Allah will help you from them. He said : why are they going to kill me? I have heard Rasulullah shallallahu 'alaihi wasallam say: "The blood of a Muslim is not halal except for three things; namely: someone who disbelieves after converting to Islam, or commits adultery after marriage, or kills a soul." By Allah, I never committed adultery during the period of ignorance and Islam, and I do not hope to have a change for my religion after Allah gave me guidance, and never killed a soul. Then why would they kill me?"

Then Rasulullah peace be upon him sent them to go to the camel to drink its milk, and they were at it then they went to the shepherd, he was the servant of Rasulullah peace be upon him, they killed him and led the camel. They claimed that the Messenger of Allah (peace and blessings of Allaah be upon him) said: "O Allaah, make thirsty those who thirst for the family of Muhammad tonight." Then the Messenger of Allah (peace and blessings of Allaah be upon him) sent people to search for them, then they were caught and he cut off their hands and feet, he gouged out their eyes, some of them added to others. However, Mua'awiyah said in this hadith that they were leading them to the land of polytheism.

Verily, the retribution for those who fight against Allah and His Messenger and cause mischief on the face of the earth, is only that they be killed or crucified, or have their hands and feet cut off in reciprocity, or be thrown out of the land (place). residence). This is (as) a humiliation for them in this world, and in the afterlife they will suffer a great torment.

Narrated to us [Al Qasim bin Zakariya bin Dinar], he said : has told us [Ahmad bin Mufadhdhal], he said : has told us [Asbath], he said : [As Suddi] claimed to be from [Mush'ab bin Sa'd] from [his father], he said : On the day of the conquest of Mecca, Rasulullah peace be upon him gave security to people except four people and two women, he said: "Kill them even if you find them hanging from the cloth covering the Kaaba, namely Ikrimah bin Abi Jahl, Abdullah bin Khathal, Maqis bin Shubabah, and Abdullah bin Sa'd bin Abi Sarh. As for Abdullah bin Khathal, let it be known that he was found hanging from the cloth covering Kaaba, then Sa'id bin Huraits and Ammar bin Yasir competed to get it, and Sa'id bin Huraits preceded Ammar because he was younger and he killed him. Meanwhile, Maqis bin Shubabah was found by people in the market and they killed him. As for Ikrimah, he was sailing and a strong wind came, the crew said give up your intentions because your gods will not be able to help you here, then Ikrimah said by Allah that no one can save me at sea except be sincere then nothing can save me on land unless I am sincere, O Allah, verily you have a promise to me, if you forgive me from what I did therein then I will come to Muhammad shallallahu 'alaihi wasallam and put my hand in his hand and I will find him as a forgiving and generous person, then he will come and convert to Islam, whereas Abdullah bin Sa'd bin Abi Sarh actually hid in the house of Uthman bin Affan, when Rasulullah shallallahu 'alaihi wasallam called people to take allegiance, he came with him, until he was brought to the side of the Prophet peace be upon him he said : O Messenger of Allah, take allegiance to Abdullah, then he raised his head and looked at him three times, each time seeing him reluctant, then he took allegiance to him after the third time, then he met his companions and said: "Is there anyone among you who has understanding, who stood by this person in the place where he saw me holding my hand to take allegiance to him, then he killed him?" the friends said : how do we know what is in your heart O Messenger of Allah, did you not give us a signal? He said: "Indeed it is not fitting for a Prophet to have deceitful eyes."

Then his people came to the Messenger of Allah peace be upon him and said indeed Fulan was sorry and he told us to ask you whether he could still repent, then the verse came down How Allah will show a people who disbelieve after they have believed until His word is Forgiving and Merciful then he sent someone to him and he converted to Islam.

Then his friend said to him; Don't tell the Prophet, if he hears you he has four eyes. Then the two of them went to the Messenger of Allah peace be upon him and asked about the nine clear verses, then he said to them: "Do not associate anything with Allah, do not steal, do not commit adultery, do not kill a soul which is forbidden by Allah except by law, do not go about bringing an innocent person to the ruler, do not commit magic, do not eat usury, do not accuse a holy person of adultery, do not turn away on the day of meeting the enemy, and it is a special obligation for you, O Jews, not to exceed the limit on Saturday. Then they kissed his hands and feet and said : we testify that you are the Prophet, then he said: "Then what prevents you from following me," they answered because Dawud said that there are still Prophets from his descendants, and we are afraid that if we follow you the Jews will kill us.

Narrated to us [Mahmud bin Ghailan], he said : has told us [Abdur Razzaq], he said : Narrated to us [Ats Tsauri] from [his father] from [Ibnu Abu Nu'aim] from [Abu Sa'id Al Khudri], he said : Ali sent someone to the Prophet peace be upon him while he was in Yemen bringing gold that was still in his land, then he divided it between Al Aqra` bin Habis Al Hanzhali then one of the Bani Mujasyim and between 'Uyainah bin Badr Al Fazari and 'Alqamah bin 'Ulatsah Al 'Amiri, then one of the Bani Kilab and between Zaid Al Khail Ath Thai, then one of the Bani Nabhan. Abu Sa'id said : then the Quraysh and Ansar people were angry and said : he gave it to the dignitaries of Najed and left us. So he said: "Indeed I softened their hearts." Then there was a man whose eyes were sunken, the top of his cheeks were prominent, his beard was thick, and his hair was bald, then he said : O Muhammad, fear Allah! He said: "Who obeys Allah if I disobey Him? Does He trust me over the inhabitants of the earth and you don't trust me?" then someone from these people asked to kill him. Then he forbade him, then after he left he said: "Indeed, from the descendants of this person there will be people who will come out to read the Qur'an and it will not pass through their throats, they will fly from religion like an arrow from a bow. They will kill Muslims, and let go of idolaters, indeed if I meet them I will definitely fight them as I killed the people of 'Ad.

Narrated to us ['Amr bin Yahya bin Al Harith], he said : has told us [Mahbub], he said : Narrated to us [Abu Ishaq] from [Mutharrif] he said : [Asy Sya'bi] was asked about the shares of the Prophet peace be upon him and his choices, he answered that the shares of the Prophet shallallahu 'alaihi wasallam were like the share of one of the Muslims and his chosen property was slaves chosen according to his wishes.

THE LAW OF PERFORMING AQIQAH AND GIVING A CHILD A NAME ON THE SEVENTH DAY
Hadith Imam Nasa'i Number 4077

أَخْبَرَنَا عَمْرُو بْنُ يَحْيَى قَالَ حَدَّثَنَا مَحْبُوبٌ قَالَ أَنْبَأَنَا أَبُو إِسْحَقَ عَنْ سَعِيدٍ الْجُرَيْرِيِّ عَنْ يَزِيدَ بْنِ الشِّخِّيرِ قَالَبَيْنَا أَنَا مَعَ مُطَرِّفٍ بِالْمِرْبَدِ إِذْ دَخَلَ رَجُلٌ مَعَهُ قِطْعَةُ أَدَمٍ قَالَ كَتَبَ لِي هَذِهِ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ فَهَلْ أَحَدٌ مِنْكُمْ يَقْرَأُ قَالَ قُلْتُ أَنَا أَقْرَأُ فَإِذَا فِيهَا مِنْ مُحَمَّدٍ النَّبِيِّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ لِبَنِي زُهَيْرِ بْنِ أُقَيْشٍ أَنَّهُمْ إِنْ شَهِدُوا أَنْ لَا إِلَهَ إِلَّا اللَّهُ وَأَنَّ مُحَمَّدًا رَسُولُ اللَّهِ وَفَارَقُوا الْمُشْرِكِينَ وَأَقَرُّوا بِالْخُمُسِ فِي غَنَائِمِهِمْ وَسَهْمِ النَّبِيِّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ وَصَفِيِّهِ فَإِنَّهُمْ آمِنُونَ بِأَمَانِ اللَّهِ وَرَسُولِهِ

Narrated to us ['Amr bin Yahya], he said : has told us [Mahbub], he said : Narrated to us [Abu Ishaq] from [Sa'id Al Jurairi] from [Yazid bin Syikhir] he said : when I was with Mutharrif at the place where the dates were collected, suddenly [someone] came carrying pieces of skin, he said Rasulullah shallallahu 'alaihi wasallam wrote this for me, can any of you read it, I answered; I can read, apparently in it: "from Muhammad, a Prophet peace be upon him, to the Bani Zuhair bin Aqaisy that if they testify that there is no God worthy of worship except Allah alone and Muhammad is the Messenger of Allah and they abandon the polytheists, and assign a fifth to their spoils and the shares of the Prophet peace be upon him and his choice, then indeed they are safe with the security of Allah and His Messenger."

Narrated to us ['Amr bin Yahya bin Al Harith], he said : Narrated to us [Mahbub], he said : Narrated to us [Abu Ishaq] from [Sharik] from [Khushaif] from [Mujahid] he said : one-fifth which is for Allah and the Messenger, is for the Prophet peace be upon him and his relatives, they do not consume any of the wealth of alms. So for the Prophet peace be upon him one fifth of one fifth and for his family one fifth of one fifth, for orphans like that, for poor people like that, and for Ibn Sabil like that, Abu Abdurrahman said : Allah: Know, indeed, whatever you can get as spoils of war, then indeed one-fifth is for Allah, the Messenger, the relatives of the Messenger, the orphans, the poor and the ill-mannered and His word the Mighty and Majestic for Allah is the beginning of words because everything belongs to Allah the Mighty and Majestic and perhaps the word about Fai` and this fifth begins with the mention of Himself because it is the best means of livelihood and Allah does

not attribute alms to Himself the Mighty and Majestic because it is human waste, wallahua'lam, and it is said that a little was taken from the spoils and then allocated for the Kaaba and that was the share for Allah, while the shares for the Prophet peace be upon him were given to a leader, he bought riding animals and weapons and he gave from them anyone he deemed necessary and useful for Muslims, or experts in hadith, science, fiqh and the Qur'an, as for shares for his relatives, namely Bani Hasyim and AbdUl Muththalib among others those who are rich and poor, and it is said that the shares are only for the poor without the rich, such as orphans and Ibn Sabil and that is the closest statement to the truth in my opinion, and Allah knows best. Children, adults, men and women are equal because Allah Almighty gave it to them, and the Messenger of Allah shallallahu 'alaihi wasallam divided it among them, it is not mentioned in the hadith that he preferred one over the other, there is no disagreement that we know of from the scholars regarding a person if he bequeathed a third of his property to Bani Fulan that the property is divided among them and for men and women get equal shares, likewise if the whole is given to Bani Fulan then they get equal shares, unless the person who ordered it explains it. And one share is for the orphans from the Muslims, one share is for the poor from the Muslims, one share is for Ibn Sabil from the Muslims, and none of them is given the share of the poor or Ibn Sabil and it is said to him; take what you want, while four-fifths of the portion is divided by the priest among those who take part in the war who have reached maturity.

Narrated to us [Ali bin Hujr], he said : has told us [Isma'il i.e. Ibn Ibrahim] from [Ayyub] from [Ikrimah bin Khalid] from [Malik bin Aus bin Al Hadatsan], he said : Al Abbas and Ali had come to Umar, they were having a dispute. Al Abbas said : decide between myself and this person. Then people said : decide between the two of them! Then [Umar] said : I will not decide between them, indeed they already know that the Prophet peace be upon him said : we are not inherited, what we leave behind is alms. Aus said : Az Zuhri said : The Prophet peace be upon him took care of him, so he took food from him for his family and made the rest of the distribution a distribution of wealth. Then Abu Bakr took care of it after him, and then I was asked to take care of it after Abu Bakr and I did what he did. Then they both came to me and asked me to hand it over to them so that they would take care of it as the Messenger of Allah (peace and blessings of Allah be upon him) had taken care of it, as Abu Bakr had taken care of it, and as I had taken care of it. Then I handed it over to them and I took a promise from them. Then they came to me, this one saying: "Divide it for me from my brother," and this one saying: "Divide it for me from my wife." If they both want me to hand it over to them so that they can take care of it as the Messenger of Allah (peace and blessings of Allah be upon him) had taken care of it, as Abu Bakr had taken care of it, and as I had taken care of it, then I will hand it over to them, and if they refuse, that is enough for them. Then he said: "Know, indeed, whatever you can get as spoils of war, then indeed one-fifth is for Allah, the Messenger, the relatives of the Messenger, orphans, the poor and the ibnussabil. This is for them. Verily, the zakat is only for the needy, the needy, the zakat administrators, the converts who are persuaded by their hearts, for (freeing) slaves, people who are in debt, for the cause of Allah and for those who are poor. on the journey and this is for them. And whatever booty (fai-i) Allah gave to His Messenger (from their property), to get it you did not use a single horse or (nor) a single camel." Az Zuhri said : This is for the Messenger of Allah (peace and blessings of Allah be upon him), specifically the Arab villages, this place and this place. "Whatever spoils (fai-i) Allah gave to His Messenger (from the property) from the people of the cities are for Allah, the Messenger, the relatives, the orphans, the needy and the wayfarer." "For the poor who emigrated and were expelled from their homes and their property." "And those who had settled in Medina and believed (Ansar) before them (Muhajirin)." "And those who came after them (Muhajirin and Ansar)." This verse covers all mankind, leaving no Muslim behind but that he has a right in this property, except for some of what you possess in the form of your slaves. Indeed, if I were alive, God willing, every Muslim would have his right.

Abdurrahman said : I heard him say; When we were with the Prophet peace be upon him on a journey and we stopped at a place, some of us were setting up tents, some of us were competing in archery, and some of us were taking out horses to a grazing place, suddenly the messenger of the Prophet peace be upon him called out; congregational prayer! So we gathered together and the Prophet peace be upon him stood up and preached to us, he said: "Indeed, there was no prophet before me but he would guide his people to what he knew

was good for them, and warn them against what he knew was bad for them and this is your people's salvation from what harms religion. There was their beginning and the last person among them would be struck by disaster and the things they denied. It will come various slanders then some of them encourage others, then a slander comes and a believer will say; this is my destruction, then the slander disappears then comes and he says; this is my destruction, then the slander disappears. Whoever of you wants to be kept away from Hell and enter Heaven, let death come to him in a state of faith in Allah and the Last Day, and he should give to man what he is pleased to give him he should obey it according to his ability, then if someone seizes him, he will behead him." Then I approached him and said : did you hear the Messenger of Allah peace be upon him say this? So he said : yes. And he mentioned this hadith.

Then he said: "May Allah forgive you." Then I approached him from the other side, hoping he would spare me without them. I say; O Messenger of Allah, ask forgiveness for me. Then he said using his hands: "May Allah forgive you." Then a man said : O Messenger of Allah, what about 'atira and fara'? He said: "Whoever wants it, he slaughters 'atira' and whoever wants it, he does not slaughter 'atira. And whoever wants it, he slaughters fara' and whoever wants it, he does not slaughter fara'. In the goat there is the sacrifice." And he clasped his fingers except one. Having informed me [Harun bin Abdullah], he said : has told me [Affan], he said : has told us [Yahya bin Zurarah As Sahmi], he said : has told me [my father] from [my grandfather, namely Al Harith bin 'Amr]. has told and reported to me [Harun bin Abdullah], he said : has told us [Hisyam bin Abdul Malik], he said : has told me [Yahya bin Zurarah As Sahmi], he said : has told me [my father] from [my grandfather Al Harith bin 'Amr] that he met the Messenger of Allah (peace and blessings of Allah be upon him) during the Farewell Pilgrimage and then said: O Messenger of Allah, you were redeemed by my father and mother, ask forgiveness for me. He said: "Indeed Jibril 'alaihis salam promised to meet me tonight, then he did not meet me. By Allah he never broke his promise to me." Ibn Abbas said : He was like that all day, then he remembered the little dog under our bed. Then he ordered the dog to be taken out, so the dog was taken out. Then he took water with his hand and sprinkled the dog's place. Then in the afternoon he met Jibril 'alaihis salam. Then Rasulullah peace be upon him said to him: "Truly you promised me to meet me last night." Gabriel said : Correct. However, we did not enter the house, there were dogs and pictures. Ibn Abbas said : then in the morning Rasulullah peace be upon him ordered to kill the dog.

When they were in this situation, suddenly a camel was released, they had nothing but a horse that couldn't run fast. They looked for it and got tired of it, then a man shot it with an arrow and then Allah restrained the camel. Then Rasulullah shallallahu 'alaihi wasallam said: "Indeed, these animals have animals that become wild, like

Then the camel passed under the ribs and they felt hungry, then someone slaughtered three slaughterings and then they felt hungry, then someone slaughtered three slaughterings then they felt hungry, then someone slaughtered three slaughterings then Abu 'Ubaidah forbade it. [Sufyan] said : [Abu Az Zubair] said from [Jabir], then we asked the Prophet peace be upon him and he said: "Did you bring some of it?" he said : then we took out from the two fish eyes so and so many jugs of fat. And four people had stopped in the Hajjaj 'ainih area and Abu 'Ubaidah brought a bag containing dates, and he gave us a handful to make one date, then when we lost the dates we got them.
